Principal’s Comments

Please support your P & C

For the benefit of our students and in order to operate the school canteen, we need more member support for the P & C. Dwindling membership numbers will have adverse effects on the school.

The P & C has made numerous donations to the school which have contributed to the purchase of equipment such as air conditioning for ten classrooms, a sailed covered area at the entrance to the school and support for sporting events, school projects, programmes and activities. Only with your help, can this continue!

PLEASE IF YOU CAN ATTEND a P & C MEETING, PLEASE LET US KNOW, AS WE DON’T WANT THE P & C TO FOLD.

Storm Damage

I do hope that you and your families were not unduly affected by the damaging winds and heavy rains during the first week of Term 2. I know many of you remained without power during the week and for some well into the next week.

With winds up to 135km/h and heavy rainfall drenching the soils over a number of days, a number of trees were brought down around the school. Damage to one demountable classroom was our major concern. The school had no power or internet for four days resulting in our inability to contact students and parents via email/SMS for this period of time. The clean-up of trees and debris is underway. Water entered some areas of the school making the site unsafe.

There is still much work to be done to remove the trees (please see more photos on page 2) and repair lights and air conditioners.

The school got back to normal as quickly as possible demonstrating the resilience of our school community.

Principal’s Comments:

- No power, internet or phone service
- Unable to SMS parents/students
- No capacity to communicate with parents – although an email was sent to approximately 300 parents on Friday advising school will be operational on Monday 27 April
- A total of 25 trees to be removed, over 50 lights, as well as five air conditioners aren’t working
- Trees on buildings in a dangerous position
- Many branches and much debris across the school making the site unsafe
- Tree damage to D1 and the southern end of Science building
- A tree lodged against another tree adjacent to the Return to School Centre
- Ridge capping above the music area will need replacing
- Industrial Arts facade missing
- Water was found on floors in PE staffroom, administration clinic room, 1.3L, and the Home Science laboratory

Damage/impact to the school over the four days:

- 25 trees to be removed
- Over 50 lights and 5 air conditioners are not working
- Damage to one demountable classroom
- Many branches and debris across the school
- Tree damage to D1 and the southern end of Science building
- Ridge capping above the music area needs replacing
- Industrial Arts facade missing
- Water found on floors in PE, administration clinic, 1.3L, and Home Science laboratory

Storm Damage:

- Winds up to 135km/h
- Heavy rainfall drenching the soils
- A number of trees brought down
- Damage to one demountable classroom
- School had no power or internet for four days
- Inability to contact students and parents via email/SMS
- Clean-up of trees and debris underway
- Water entered some areas of the school

The school got back to normal as quickly as possible, demonstrating the resilience of our school community.

P & C Meetings

P & C meetings are held on the fourth Monday of the month. The next meeting includes our AGM and is on:

Date: Monday 25 May 2015
Time: 6:30pm
Where: MICA Room

- This is a chance to meet other parents and learn what is going on at your child’s school.
- Become involved in your school community.
- Have your say in your child’s/children’s education.
- Principal in attendance.
Staff Changes
The school welcomes the following staff:-
• Cath Donnelly, Head Teacher HSIE faculty replacing Mr Fara
• Teagan Curby, Science teacher
• Sheree McIntyre, relieving for Lexi Peterson
• Fiona Lock, School Admin Staff
• Sharon Lane working in the Norta Norta program for seniors

Break in to Science Area
On the Thursday evening during the storm there was a break in to the Science area. Rooms entered were 2.1L, 2.2L and the adjacent prep room. Cupboards and drawers were searched and it appears that some conical flasks and thermometers were stolen. Those responsible have yet to be apprehended.

Congratulations to the Petersen’s
Art teacher, Mrs Lexi Petersen and husband Brendon are the proud parents of a baby girl, Airlie Lena born during the week of the storm.

To view both of these documents please go the school’s website at www.irrawang-h.schools.nsw.edu.au

School Diaries
Please note that all students were issued with school diaries at the beginning of the school year. I would ask all parents to ensure their child is using their diary.

ANZAC Day Commemoration Ceremonies
Thanks to Ms McCready, Ms Robinson, Mrs de Wit, parents and our school captains and drummers for their organisation and participation in ANZAC Day services at Medowie and Raymond Terrace. We postponed the school’s ANZAC Day service until the 6 May.

Staff Changes
Chris McCord
Chris has been an outstanding deputy principal whilst at Irrawang High from 2008 until 2015. His professional enthusiasm, dynamic leadership and educational vision has been most significant in guiding this school through stages of strategic planning and through the development of management and implementation plans. He constantly exhibited all the traits of an educational leader and an educational manager.

Chris’ administration in his DP role and focus groups that he has lead are exemplary. His communication skills both oral and written are hard to match and have added appreciably to the school tone. Many a thoughtful and direct message to staff, couched with humour has had great effect in maintaining harmonious, but effective working procedure in the school. Staff members looked to Chris for guidance and career path planning. His computer skills have been extensively developed to provide high level publication and communication to the benefit of the whole school.

The school wishes Chris all the best in his move to Kotara High School as Deputy Principal.

Joan Akerman and Jeannie Duncan
It has been a clean finish for cleaners JOAN AND JEANNIE who will leave a vacuum when they swept off into retirement after a magnificent 38 years and 20 years respectively at Irrawang High School.

I have had the privilege of knowing both these women for the past 20 years and during that time they both conscientiously and energetically carried out their duties. They earned a reputation for dependability and competence and took pride in their work. They both had many skills including a very pleasant, courteous and helpful personality. They showed patience and good humour at all times.

We hope their memories don’t gather dust. There’s more to these two people than dust and fluff. They kept their lives clean. Both are wonderful people. Over many years they played an important role in our school and were widely regarded by all in the school community. They attended almost all our school’s social functions.

They always provided a quality service which was highly valued. Their significant contribution in promoting the School’s reputation was greatly appreciated.

We wish you both a happy, healthy and long retirement and hope you maintain the many links you have in this community.

ANZAC Day Commemoration Ceremonies
Exciting News – the PARENT PORTAL is coming!
By Mrs N Steiner
Relieving Head Teacher Administration

Parents and caregivers will soon receive an email and letter with instructions to register for the Parent Portal on the School’s ‘operating’ system - Sentral.

What is a Parent Portal? This gives parents and caregivers access to school information such as their child’s timetable and booking Student Progress Meetings (parent-teacher interviews) for Years 7-10, scheduled for Wednesday 24 June 2015.

Progressively more and more information will be available to parents and caregivers through the Parent Portal - an easy web link accessible from all types of devices.

Be sure to click the link and register with your personalised ‘key code’ when you receive your letter and email to stay up to date.

Food Allergy Week 17 - 23 May
Did you know that 1 in 10 babies born in Australia will develop a food allergy? The Food Allergy Week website has lots of great information, ideas and resources to help you be more allergy aware.
Find out more: http://www.foodallergyaware.com.au

Managing depression
One in four kids over 12 has symptoms of depression. Would you know what to look for and how to help? Don’t be afraid, ask your child how they are feeling and keep communicating with them.

The Entertainment Book
With 20% from every book sold contributing to their fundraising efforts, students are now looking to sell as many as possible. The Entertainment™ Book, and the brand new Entertainment™ Digital Membership, are your guide to the most popular restaurants, attractions, shopping, travel and more, all with valuable up to 50% off and 2 for 1 offers.

To order your $60 book with hundred of dollars in savings, please contact Mr Sam Berry at school on 49874687 or email him on samuel.berry4@det.nsw.edu.au

To order your Book or your Digital Membership securely online visit: http://www.entbook.com.au/347u71

Alternatively, please complete your details below:

Commendation of the Month - March 2015
Name: Shannon Reilly
Year: 10
Nominated By: Ms K Connor
Reason for Nomination: Citizenship
Congratulations Shannon!

Commendation of the Month - April 2015
Name: Shivani Shivani
Year: 10
Nominated By: Ms C Wotton
Reason for Nomination: Quality Work
Congratulations Shivani!
Bonjour Clemence
By Mrs L Fagan
Community Liaison Officer

Our French/Belgium Rotary Exchange student, 18 year old Clemence Toisoul will sadly be leaving us in seven weeks time after enjoying “the best year of my life.” Clemence has been in Port Stephens and at Irrawang High since July 2013 and is sponsored by the Rotary Club of Williamtown where she has spent four months with three host families.

Arriving with a very small grasp of the English language, Clemence found the first few months at school very challenging but has now overcome those difficulties. “Everything is different here, the weather, the culture, and we don’t have school uniforms at home,” she said.

Whilst in Australia, Clemence has visited Sydney, Melbourne and Canberra but the highlight of her whole exchange to date has been her three week trip into the outback with all the other Rotary exchange programs.

We will miss Clemence, she has been a wonderful student and fitted into the school well and we look forward to seeing her back here for a visit in the near future.

A busy time on the school farm . . .
By Mrs L Fagan
Community Liaison Officer

Our school incubator came in very handy recently with a very cute guinea fowl hatching and hopefully another 22 not far behind.

Ms Henry, our specialist Agriculture teacher will encourage the students to start "showing" the chickens and guinea fowl at various shows around the area.

Our beautiful miniature horse, Lulu and the school cow co-habit well with no shortage of feed.

Vegetable seedlings from the school hothouse have been transplanted into 15 specially constructed garden beds made by the students. Also growing rapidly is a huge pumpkin patch, with our annual corn crop producing sweet, juicy produce.

Have you changed your personal details?
If your student has any change in their personal details eg doctor, emergency contact, telephone no., address etc, please inform the school ASAP.
Canteen News
By Mrs L Fagan
Community Liaison Officer

Our canteen supervisor, Mrs Ryner (pictured right) will be adding some new winter warmer items to the canteen menu for Terms 2 and 3, including Spaghetti Bolognaise, wedges with sweet chilli and sour cream, mashed potato and fried rice. Nachos are already proving a big hit with students and staff.

Stay tuned for more canteen updates.

Year 7 complete their first tech project
By Mrs L Fagan
Community Liaison Officer

Year 7L Design and Technology students showed lots of creativity whilst completing their first and second term projects - a key ring holder which they had to plan, design and construct from scratch. Teacher, Mr Gordon ably assisted by Ms Walker helped these students achieve their goals. Students also had to complete a portfolio on their project.

Looks like some mums were the lucky recipients on Mothers Day!
Cross Country Carnival

The annual Cross Country Carnival was held over two sport days on 17 March for Years 7 and 8 and 12 March for Years 9, 10, 11 and 12. Spirits were high in both staff and students with safe, successful days had by all.

Note:
All students who qualified in the first eight, then qualified for the Zone Cross Country Carnival on the 23 March 2015 at Dungog Common, Dungog. The following students successfully competed on that day and finished in the first six in their age groups: Jaycob Burke, Dane Batman-Blackwood, Ella Ruhl, Samantha Newell, Tom Mildren, Jodie Uhrig and Tahnea Ducat. Then they qualified to represent the school and Port Stephens Zone at the Hunter Regional Cross Country at Broadmeadow Race Course on 8 May 2015.
The annual Athletics Carnival was held on 10 March 2015. The day was sunny and fine and all those students who were there behaved in an outstanding fashion. Spirits were high in both staff and students and a successful day was had by all.

Plan-it Youth Mentoring Program
By Mrs G de Wit
Coordinator

The first Plan-it Youth Mentoring Program for 2015 concluded on 12 May for ten Year 10 students, with a celebration and presentation of certificates.

The students were well supported by their mentors, families and friends with the program giving these young people the opportunity to plan for their future careers and find a positive pathway into employment.

The second Plan-it Youth Mentoring Program commences on 23 June, 2015.

Students star in promotional video for new website
By Mrs L Fagan
Community Liaison Officer

Assisted by Federal Government funding, the University of Newcastle has initiated a website – My Big Tomorrow - targeted at our young people to help provide them with online resources to help with future career choices.

Students from Irrawang and Kurri Kurri High schools appeared in the promotional video for the website, with Nikita Taylor and Lincoln Hunter representing our students and invited to the launch recently. Both students have their hearts set on a career in the radio world. Emma Alberici from the ABC program Lateline was the guest speaker and after hearing our students speak immediately offered them the opportunity for work experience at the ABC.

Good, Better, Best, never let it rest, till your good is better and your better, best.
- David Rees

Education is not preparation for life; education is life itself.
- John Dewey
In Year 10 students are asked to select subjects for Years 11 and 12. Here are some tips to help your teen choose well.

**Irrawang High School**

**FREE School Phone App**

**How to Install Our School App**

**On Apple**

- On your iPhone open the app store
- Search for our school name
- Press Install
- Enter your iTunes password
- It will commence downloading immediately

**Android/Google Play**

- On your Smartphone open the Android/Google Play market
- Search for our school name
- Press install
- Your app will start installing instantly

**To Open Our School App**

- Look for our schools app icon on your phone screen
- Press the icon once
- It will open automatically
- When prompted select yes to receive notifications and use your location (this will make sure the google maps and pop-up alerts work for you)

**If you encounter troubles**

- Shut down the app and or your phone to refresh the phones memory
- Uninstall your app and reinstall it
Does your child need an extra hand with English or Maths?

Sometimes children fall behind at school. They may have moved from another state, changed classes, or something else has happened in their life beyond your control. For whatever reason they then begin to struggle with their work at school, with their homework and with their exams. This can be frustrating for both them and you as a parent.

Kip McGrath specialises in helping children catch up to where they need to be in English and Maths. The resources we use are specifically designed to do this job. And the reason we only use qualified teachers, is that they have the tools and skills to accelerate your child’s learning, so that any gaps are closed as quickly as possible.

We complement what is done at school to help your child. Your school gives your child an essential foundation in education across a wide range of subjects and developmental activities. Our job is to give your child an extra hand when they need to catch up … for whatever reason. So together we can help your child reach their full potential.

If your child is experiencing these frustrations and they need an extra hand in English or Maths, then call Christine to see how we can help.
